The University of Western Australia

RESUBMISSION OF 1995 PUBLICATIONS

Statement by Head of Department/Centre

I certify that:

(i) The attached publications information is correct and in accordance with the 1996 Higher Education Financial and Publications Research Data Collection instructions for the resubmission of 1995 publications, issued by the University of Western Australia in February 1997.

(ii) For each publication, the answer is 'YES' to the six questions set out under 4.4.5 of Section B of the instructions.

(iii) Evidence of each publication as required under DEETYA's verification requirements has been sighted and will remain accessible for the next three years.

When both sections have been signed, this form should be attached to the front of the annotated departmental submission and given to the member of the Publications Audit Subcommittee, who will forward the material to the Assistant Registrar (Research Administration). A copy of the form and the submission should be retained in the Department/Centre. All submissions should be signed and returned by 21 April 1997.
